

ROBOTICS BRAINSTORMING SESSION

NOVEMBER 11, 14H30

14h30 Noel Sharkey (Prof. of Artificial Intelligence and Robotics at University of Sheffield) - "Research on Robotics at the University of Sheffield"

14h45 Jacques Penders (PhD, Principal Research Fellow at the Materials and Engineering Research Institute at SHU) and Fabio Caparelli (Senior Research Fellow at the Materials and Engineering Research Institute at SHU) - "Research on Robotics at SHU"

15h00 Luís Paulo Reis (PhD Informatics Engineering - AI/Robotics, Professor at FEUP, Member of the Directive Board of LIACC) - "Research on Intelligent Robotics at LIACC"

15h15 António Paulo Moreira (PhD Elec.Engineering, Professor at FEUP, Coordinator of Robis/INESC-P) - "Research on Robotics at Robis/INESC-P"

15h30 Nuno Lau (PhD Informatics Engineering - AI/Robotics, Professor at University of Aveiro, Researcher at IEETA/ATRI) - "Research on Robotics at ATRI/IEETA"

15h45 Several Speakers: Short Presentations of Ongoing Projects at FEUP, LIACC, INESC-P/Robis, IEETA/ATRI
