Papers are solicited in the following and related areas: failure to safety, integrity to safety, risk management, hazard and risk analysis, improved reliability to safety, vibration analysis, noise exposure, occupational accidents, workplace electrical safety, safety of machinery, risk exposure to electromagnetic fields, thermal stress, exposure to engineered nanomaterials, new safety technologies, risk exposure to chemical and biological agents, psychosocial risk, biotechnological risks, cost analysis, socio-economic costs, new technologies on safety and health, demographic changes, globalisation.

Extended abstracts of **two full pages** should be written in the same format as the full papers for the CD-ROM (no limitation in length for these):

<i>Paper Size:</i>	A4, single column
<i>Margins:</i>	Top page 3,0 cm; Bottom 2,5 cm, Left & Right 2,5 cm
<i>Font and line spacing:</i>	Times New Roman; single space
<i>First 3 lines:</i>	Should be left blank, size 10, reserved for the editors

Title: Begins at the 4th line, capital letters, size 14, bold, left alignment
Authors Names: Size 10, left alignment, two lines interval from title above
Authors affiliation: Size 10, left alignment, two lines interval from text below
Main Text: Size 12, full justification, 6 pt space after paragraph, no indentation
Headings: Capital letters, size 12, bold, one line interval from text above
Legends (Figs & Tables): Size 10, one line interval from text above and below
References: References to cited literature should be identified in the text with author(s) name(s) and year of publication (ex: Mascarenhas, 1997). Full citations should be grouped at the end of the paper and in alphabetical order of first author's name. Always give inclusive page numbers for references to journal articles and a page range for books. Each reference must be cited in the text.

A sample abstract is available for download at:

http://paginas.fe.up.pt/clme/IRF2016/abstract_sample.doc

which can also be used as template.

The *Extended Abstracts* are due by **11 JANUARY 2016**, and those accepted will appear in a book which will be made available to delegates of IRF 2016 during the event. Full papers will also be compiled in a CD-ROM, and improved versions of selected papers will be considered for publication in indexed International Journals on the conference main topics.
