

## ROUSSEL NICOLAS

Institut Français des Sciences et Technologies des Transports, de l'Aménagement et des Réseaux (French institute of science and technology for transport, development and networks) – IFSTTAR

### ADDRESS

SIÈGE IFSTTAR, POINT 41  
14-20 BOULEVARD NEWTON  
CITÉ DESCARTES, CHAMPS SUR MARNE  
F-77447 MARNE LA VALLÉE CEDEX 2

**Email:** nicolas.rousseau@ifsttar.fr

**Phone:** (+33) 6-6478-5049

**Researcher ID:** <http://www.researcherid.com/rid/I-3548-2012>

**Nationality:** French

### RESEARCH INTEREST KEYWORDS

---

Processing, rheology, construction materials, cement, civil engineering.

### EDUCATION

---

Post-doctoral qualification to supervise Research, East Paris University, December 2007.

**Ph.D.** in Civil Engineering, INSA Rennes, December 2001.

Graduate with honors from Ecole Normale Supérieure, June 1998

**M.S.** in Civil Engineering, INSA Rennes, June 1997.

### EMPLOYMENT, POSITIONS & ONGOING ACTIVITIES

---

2010 - Head of the rheology and processing of construction materials team at IFSTTAR, Paris France

2010 - Senior researcher at IFSTTAR, Paris, France

1998 - Associate professor from Ecole Normale Supérieure

2002-2010 Researcher at Laboratoire Central des Ponts et Chaussées (LCPC), Paris, France.

1998-1999 Research engineer, applied physics department, Kingston University, United Kingdom.
