

Volume 2 Number 2 June 2008

Special issue on Image Processing

Gest Editors: João Manuel R. S. Tavares & Renato M. Natal Jorge – UP - Portugal

International Journal of Tomography & Statistics

ISSN 0973-7294 (Online) - 0972-9976 (Print)

<http://www.isder.ceser.res.in/ijts.html>

Dear Colleague,

This special issue of the International Journal of Tomography & Statistics (IJT&S) is devoted to promote a broad exchange of information on technologies, applications, operations and quality assurance in the areas of Computed Tomography, Statistics as well as of Image Processing.

This special issue on Image Processing is an opportunity for users, scientists, image equipment suppliers and all who are interested to present their works on image detectors and acquisition systems, signal processing, image processing and analysis, medical imaging, pattern analysis and recognition, volume scanning and reconstruction, features extraction and classification, telemedicine, virtual and augmented reality, enhanced computation and software applications of image processing.

Thus, if you are working on the related areas of the special issue "Image Processing", **It is an honour to invite you to submit your work to be published in the IJT&S.**

Important Dates and Instructions:

Deadline for papers submission: 30/06/2008;

Authors notification: 15/09/2008;

Final version of accepted papers: 1/11/2008;

If you intend to submit your work please notify as soon as possible the guest editors of your intention (tavares@fe.up.pt, rnatal@fe.up.pt);

Papers for the special issue should be sent to the guest editors (tavares@fe.up.pt, rnatal@fe.up.pt);

Instructions for authors are available at: <http://www.isder.ceser.res.in/ijts/instr4a.html>.

With kind regards,

Yours sincerely

The Guest Editors

João Manuel R. S. Tavares (tavares@fe.up.pt)

Renato M. Natal Jorge (rnatal@fe.up.pt)
