

Subject: Cooperation Agreement University of Porto - Free State Provincial Government
Academic results and Registrations of Engineering Students

From: A. Augusto de Sousa, Vice-dean of FEUP for the Pedagogical Affairs

Date: 3rd of October, 2022

Dear Sirs,

Attached you may find official documentation on the academic results obtained in 2021/22 by students under the above Cooperation Agreement, as well as the enrolment status, in 2022/23, of student enrolled last year in the Bachelor and Master Degrees in Civil Engineering of FEUP.

As I informed you last year, students previously enrolled at FEUP in the Integrated Master in Civil Engineering were transferred, in 2021/22, to the Bachelor in Civil Engineering (three-year duration) or to the Master in Civil Engineering (two-year duration), according to their academic path in the Integrated Master. Students enrolled in the Bachelor programme will have the right, until 2025/26, to access the respective Master, without the need to apply.

In accordance with the above information, the current situation of students in terms of enrolment is as follows:

Enrolment in the Bachelor in Civil Engineering in 2022/23

- Andile Nkosana Kato
- Bridgette Dimpho Morupisi
- Karabo Given Rakgosi
- Sibongile Maqulate Ntathu
