

# **Weekly Report**

## Automatic blood typing scanner through agglutination

MSc Student	Supervisor
Nuno Miguel Duarte Costa	Prof. Rosaldo Rossetti
Co-Supervisor	
Prof. Joaquim Gabriel Magalhes Mendes	

May 16, 2014

Week Start:	May 12, 2014
Week End:	May 16, 2014

### **1 Work Developed**

- Classification algorithms:
  - Study of WEKA software library.
  - Development of application routine for classification.

### **2 Future Work**

- Classification algorithms:
  - Develop routine for bootstrapping classification datasets.
