🎂 18th July 1992

Professional experience

09/2012 – 02/2013

Programming teacher at Saber.Virtual (Santa Maria da Feira)

- Taught C++, C, Java and Software Engineering to two college students, during a semester

Education and training

09/2007 – 07/2010

Scientific-Humanistic Course in Science and Technology
Escola Secundária Dr. Manuel Laranjeira, Espinho (Portugal)

- Math, Chemistry, Biology, Physics, Geology, Philosophy
- Portuguese and English languages
- Score: 18/20

09/2010 – 07/2015

MSc Informatics and Computer Engineering
Faculty of Engineering – Porto University (Porto, Portugal)

- Software engineering
 - Requirements engineering
 - Project management
- Operating Systems
- Networks
- Web development
- Mobile development
- Game design
- Multimedia
- Marketing
- Company management

Personal skills

Mother language

Portuguese

Personal skills

	Understanding		Speaking		Writing
	Listening	Reading	Spoken interaction	Spoken production	
Portuguese	C2	C2	C2	C2	C1
English	C1	C1	B2	B2	B2
French	A1	A1			
Spanish	A1	A1			

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2: Proficient user

Communication skills

Good communication skills, acquired throughout a vast amount of oral presentations, mainly during my education (and particularly at college)

Organisational/managerial skills

- Good organization skills, mostly developed as a multi-tasking student;
- Capabilities of coordination and leadership - applied and developed mostly in my college studies by acting as a team leader of work teams with about 5 elements.

Job-related skills

- Knowledge and application of agile development methodologies to better control and guide the project;
- Fast learning of different languages and programming patterns, due to the constant demand during the college studies.

Computer skills

- Good command of office suites (Microsoft Office, OpenOffice, others);
- Good command of photo editing software such as Photoshop and GIMP;
- Good command of development software - Visual Studio and Eclipse;
- Knowledge of the following programming languages: Java, C, C++, C# and PHP;
- Knowledge of HTML5, CSS3, JavaScript;
- Knowledge of web development frameworks such as ASP.NET and jQuery;
- Unity and Phaser game engines experience;

Additional information

Driving license

B

Honours and awards

Member of the value and honor board at Escola Secundária Dr. Manuel Laranjeira

Projects

"Agile Marathon" by Sonae and CiPS (FEUP)

Conferences

Participation in National Informatic Student Encounter 2013 at Faculty of Engineering – Porto University
