

MDSE - Master in Data Science and Engineering at FEUP

operating schedule

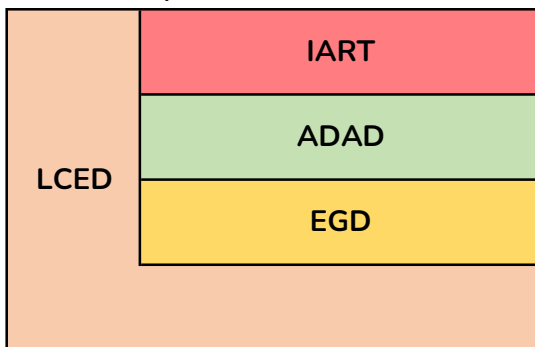

Classes on Fridays, all-day, and Saturdays, until 14:00

1st year, 1st semester

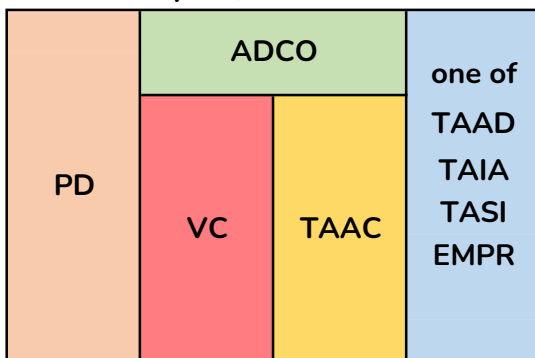

FCED	Fundamentals of Data Science and Engineering
VPDA	Data Preparation and Visualization
IACE	Introduction to machine learning and data mining
SAAD	Analytical decision support systems

1st year, 2nd semester

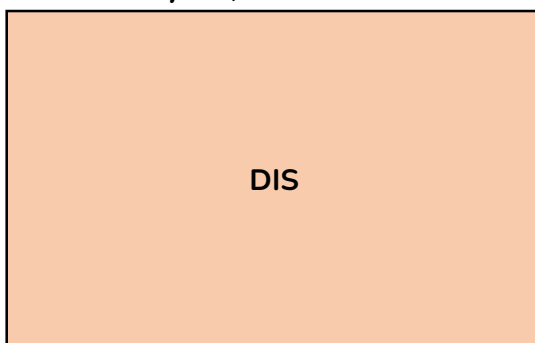

LCED	Data science & engineering lab
IART	Artificial Intelligence
ADAD	Data Warehouses
EGD	Big Data Engineering

2nd year, 1st semester

PD	Preparation of Dissertation
VC	Computer Vision
TAAC	Advanced Topics on Machine Learning
ADCO	Analysis of Complex Data
TAAD	Advanced Topics on Decision Support
TAIA	Advanced Topics on Artificial Intelligence
TASI	Advanced Topics on Intelligent Systems
EMPR	Entrepreneurship

2nd year, 2nd semester

DIS	Dissertation
