

LEPABE Talks is a weekly outreach activity that aims to share ideas, connect and inspire LEPABE Research Community. Each focused, stimulating and engaging Talk will be the perfect appetizer for your lunch every Thursday.

We are waiting for you! Stay tuned with LEPABE Excellence top research.

Some Presentation Guidelines

- ▶ Choose a catchy title for your presentation
- ▶ When preparing your presentation remember:
 - ▶ Duration: 15 minutes
 - ▶ Target audience: LEPABE Research Community (recall that many people are working on different research fields than yours)
 - ▶ To use a lot of visuals
 - ▶ To be creative about how you will present. Some suggestions that you might like to focus: what is the big challenge that are you addressing? How are you doing it? How will your Research contribute to the state-of-the-art?
- ▶ Be engaging to the audience! Speak with enthusiasm! After all Science is our Super power!
- ▶ Don't forget that the presentation will not exceed 15 min!
