

Anastássios Perdicóulis, PhD

RÉSUMÉ

Anastassios (Tasso) Perdicoulis grew up in Athens from the mid-1960s to the mid-1980s. His academic skills were styled at the University of Washington in the second half of the 1980s and refined through scholarly publishing and teaching. He has been conducting R&D (Systems PlanningSM — systemsplanning.org) in the UK and Portugal since the early 1990s on efficiency in systems, processes, and plans with applications in organisation governance, project management, and strategic planning.
