“Aristotelian citizen does not neglect the state because he takes care of his own household; and even though of us who are engaged in business have a very fair idea of politics. We alone regard a man who takes no interest in public affairs, not as a harmless, but as a useless character; and if few of us are originators, we are all sound judges of a policy. The chief enemy of creativity is ‘good sense’ — P. Picasso

The great impediment to action is, in our opinion, not discussion, but the want of that
